## Accelerated Program Information

The Accelerated (formerly Fast-Track) Master's in Public Administration (MPA) is designed for UConn undergraduates who want to complete their MPA in 5 years. Up to 12 credits of the required graduate coursework taken while the student is an undergraduate may be used toward both the undergraduate and MPA plans of study. Undergraduate students apply for the accelerated track by the end of their sophomore or junior year and then apply to the MPA program during their senior year.
