

DISABILITY STUDIES IN PUBLIC HEALTH (GRADUATE CERTIFICATE)

This is a four-course, 12 credit certificate examining the aspects of health care, society, culture, politics, economics, legislation education and social attitudes that impact people living with disabilities. The Certificate in Disability Studies in Public Health is offered online. It is intended for individuals working in medicine, nursing, social work, law, education and public advocacy. The program requires a grade of "B" in all courses.
