BLAW 5220. Employment Law. (3 Credits)

This course explores the legal and ethical issues implicated in the modern workplace and the employer-employee relationship. Students learn about important legal and ethical issues implicated in hiring, firing, discrimination, harassment, and accommodation of employees. Emphasis will also be placed on legal and ethical issues at work such as family leave, safety and health, and diversity, equity, and inclusion. Students gain experience in how to prevent disputes, minimize legal risk, and apply employment law principles for beneficial social responsibility and impact.

Enrollment Requirements: Open only to M.B.A, M.S. in Social Responsibility and Impact in Business students, and M.S. in Human Resource Management students, others with consent.

BLAW 5680. Securities Law. (3 Credits)

Examines the legal and regulatory environment relevant to financial markets. Students will learn how rules related to the Securities and Exchange Commission and other regulatory bodies regulate and preserve the integrity of securities transactions and practices. Topics will also include the legal and ethical responsibilities of corporate managers and executives, accountants, underwriters, and broker-dealers, as well as the global and transnational aspects of securities transactions. Students gain experience identifying and resolving potential violations of securities laws and ensuring that an organization is in full legal compliance with relevant regulations.

Enrollment Requirements: Open only to MBA students, others with consent.

BLAW 5750. Ethics and Compliance in the Global Organization. (3 Credits)

This course investigates the legal and ethical issues surrounding the compliance function from an organizational perspective. Students will learn about relevant compliance regulations as well as how compliance leaders introduce and sustain an ethical culture of integrity in the enterprise. Compliance will also be viewed from a global perspective, incorporating ethical, legal, and cultural challenges and opportunities in a global compliance program. Students gain experience in how to manage compliance issues, minimize risk of legal non-compliance, and implement compliance initiatives effectively.

Enrollment Requirements: Open only to M.B.A, M.S. in Social Responsibility and Impact in Business students, and non-degree business students, others with consent.
