

SPORT MANAGEMENT (MS)

The Master of Science (M.S.) in Sport Management prepares students in the theoretical, research, and applied dimensions of this field of study. The M.S. degree requires students to select a thesis, capstone project or internship option. Students selecting to do a thesis must complete 24 credit hours (eight courses) of coursework and nine credit hours of thesis research. Students selecting the internship or capstone project options must complete 27 credit hours (nine courses), a comprehensive exam and a six credit internship or capstone project following the completion of all coursework.

Required Courses

Course	Title	Credits
EPSY 5601	Principles and Methods in Educational Research ¹	3
Select one of the following:		3
EDCI 6000	Qualitative Methods of Educational Research	
EPSY 5605	Quantitative Methods in Research I	
EPSY 5607	Quantitative Methods in Research II	

¹ Additional research courses recommended only for students selecting the thesis option. These credit hours could count as electives
