

# INSURANCE LAW (GRADUATE CERTIFICATE)

The Graduate Certificate in Insurance Law is a 12-credit graduate program designed to be flexible for working professionals who want to deepen their understanding of insurance law and risk regulation. Whether a new practitioner or a seasoned professional transitioning into the field, this certificate offers unparalleled access to the nation's top faculty and resources in insurance law.

## Eligibility

To apply for this graduate certificate, applicants must satisfy one of the following:

- JD degree from an ABA-accredited law school
- An international law degree
- An advanced degree in a related field with significant legal or insurance experience (case to case basis)

## Requirements

This program is 12 total credits and is typically completed in 3-4 semesters.

## Optional Bundles

Students are free to mix and match courses that are relevant to their related career goals. They may also choose to focus on a particular area such as the following:

### Regulation and Compliance

- Insurance Regulation
- Insurance Solvency
- Insurance and Discrimination

### Claims and Litigation

- Insurance Litigation
- Property Insurance
- Liability Insurance

### Insurance and Emerging Technologies

- Cyber Insurance
- Law, Regulation and Financing of InsurTech Startups
- Insurance Regulation

## Learning Objectives

### Skills Acquired

1. Deep understanding of legal frameworks governing insurance products and regulation
2. The ability to analyze contracts and manage litigation unique to insurance
3. Practical expertise in regulatory compliance, financial oversight, and policy development

### Career Paths

- In-house counsel at insurance companies
- Regulatory agencies
- Private practice (litigation, coverage, compliance)
- Employer-sponsored upskilling for new insurance attorneys
- Students may apply the certificate toward an advanced standing in UConn's LLM in Insurance Law if they choose to continue their studies.
