May be repeated for a total of 4 credits

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%201098>)

## AHNR 3091. Agriculture and Natural Resources Internship. (1-6 Credits)

Designed to provide students with a meaningful experience in a formalized agricultural or natural resources program under supervised conditions. Each student taking this course must submit a formal written report for evaluation and meet all other course requirements as specified by the instructor.

Junior or senior in the College of Agriculture, Health and Natural Resources.

May be repeated for a total of 6 credits

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%203091>)

## AHNR 3093. Foreign Study. (1-12 Credits)

Courses taken in agriculture, natural resources, and related areas as part of approved Study Abroad programs. Credits and topics must be approved by department head or dean of the College of Agriculture, Health and Natural Resources.

Department consent.

May be repeated for a total of 12 credits

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%203093>)

## AHNR 3095. Special Topics. (1-6 Credits)

Instructor consent.

May be repeated for credit

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%203095>)

## AHNR 3099. Independent Study. (1-6 Credits)

A course designed for the student who wishes to pursue an investigation of specific problems related to domestic and foreign agriculture with particular emphasis on current problems in instruction, extension education, and research.

Open only to students with Independent Study Authorization.

May be repeated for credit

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%203099>)

## AHNR 3316. Introduction to Agricultural Mechanics and Safety. (2 Credits)

Operation, safety, and applications of equipment and mechanical systems used in agricultural enterprises. Field Trips may be required.

Open only to students majoring in Agriculture, Health and Natural Resources; Animal Science; Natural Resources; and Sustainable Plant and Soil Systems.

View Classes (<https://catalog.uconn.edu/course-search/?details&code=AHNR%203316>)

## AHNR 3350. Hispanic Culture and Communication in Agriculture. (3 Credits)

Covers everyday conversations in Latin American Spanish needed at the workplace in agriculture and natural resources. Emphasizes dialogues, commands and directions to improve the relationship and understanding of workers and employers in several fields of agriculture. Prepares students in landscape, horticulture, animal science and agriculture economics with basic communication skills in Spanish and familiarizes students with Latin American cultural traditions. Taught with SAAG 350. Not intended for students with advanced Spanish language skill. Does not fulfill the General Education foreign language requirement.

Open only to students in the College of Agriculture, Health and Natural Resources.
