PSYC 3550W	Laboratory in Cognition	3
PSYC 3551W		3
PSYC 3552	Laboratory in Sensation and Perception	3

Research

Course	Title	Credits
PSYC 3889	Undergraduate Research	1-6
PSYC 3899	Independent Study	1-6
PSYC 4197W	Senior Thesis in Psychology	3

The requirements for the Minor in Psychology are as follows:

- One Area I course (p. 1);
- One Area II course (p. 1);
- Any three additional 2000-level and above Psychology courses listed above.

No more than three credits of either PSYC 3889 Undergraduate Research or PSYC 3899 Independent Study may be counted toward the minor. PSYC 3880 Field Experience cannot be used. A maximum of three 2000-level or above transfer credits in psychology may count toward the minor upon approval of the transfer coordinator in the Department of Psychological Sciences. The courses composing the minor should be selected in consultation with the student's major advisor to form a coherent program relevant to the student's academic and/or career interests and objectives.

The minor is offered by the Department of Psychological Sciences.
