

PUBLIC POLICY MINOR

This minor provides an overview of public policy processes and the design, management, and evaluation of public policies and programs.

Requirements

The minor requires 15 credits at the 2000 level or above.

Students choose 15 credits of Public Policy undergraduate or graduate courses in consultation with their academic advisors. One course from the following list may be used to meet this requirement:

Course	Title	Credits
PP/URBN 2100	Survey Research Methods	3
ECON 2201	Intermediate Microeconomic Theory	3
ECON 2211Q	Quantitative Intermediate Microeconomics	3
ECON 2311Q	Econometrics I	3
ECON 2328/2328W		3
ECON 2431	Economics of Taxation and Government Spending	3
ECON 2439	Urban Development and Policy	3
ECON 2456	Economics of Poverty	3

Prospective students should contact Catherine Guarino, Program Director, Department of Public Policy.
