SOFTWARE DESIGN MINOR

Requirements

To receive a minor in Software Design, a student must earn a C+ or better in each of four (4) 3-credit, 3000/4000-level OPIM courses offered by the School of Business.

Students must complete the following core courses:

Course	Title	Credits
OPIM 3401	Business Software Development	3
OPIM 3402	Mobile Application Development	3
OPIM/BADM 3603	Project Management and Planning	3
or OPIM 3403	UX / UI Design	
One 3000-4000 level OPIM course		3
Total Credits		**12**

This minor is not open to Business Data Analytics or Analytics and Information Management majors. Students not enrolled in the School of Business must obtain permission to take courses for the minor. Refer to the School of Business section of this catalog for restrictions on Business minors and limits on the number of Business courses available to non-Business students.

The minor is offered by the School of Business. For more information, contact the Undergraduate Programs Office, School of Business, room 248, or phone (860) 486-2315.
