

WRITING MINOR

The Writing minor promotes an interdisciplinary awareness of composing practices, histories, and theories. It encourages students to refine their writing abilities across diverse contexts and technologies.

Requirements

The minor requires 15 credits at the 2000-level or above. Courses must be taken in at least two subject areas. No more than six credits may overlap with another major or minor. Please note that some classes are open only to majors in that subject area.

Course	Title	Credits
ENGL 2013W or ENGL 2049W	Introduction to Writing Studies Writing through Research	3
Select 12 credits from the following:		12
AFRA 4994W	Senior Seminar

Total Credits **15**

Students may petition to include other courses whose focus is on the theory and practice of writing by applying to Howard Fisher at howard.fisher@uconn.edu. Not every W course will count toward the Writing Minor.

The minor is offered by the College of Agriculture, Health and Natural Resources, the College of Liberal Arts and Sciences, the School of Business and the College of Engineering.
